#### ***Notes on the Invited Speaker:***

*CEO Hector Holguin has been heralded as one of El Paso's most innovative entrepreneurs. His proven high-tech experience includes:*

*•1970s-1980s: Founder of Holguin Corporation; pioneer of first desktop workstation for Computer Aided Design (CAD), which produced thousands of worldwide installations in over 30 countries.*

*•1980s-1990s: CEO of Accugraph Corporation; developed software products for high-tech global markets of CAD and Telecommunications (includes strategic partnership with Hewlett-Packard).*

*•2002: Founder of Holguin Group, LLC; initial developers of the SecureOrigins designs and applications, which enabled the emerging technology of Intelligent Software Agents.*
