“We are delighted we chose to attend the BNSL webinar entitled “Developing Business Plans that Work”. The webinar met many of our expectations and we learned something we could use in our own business plan. Mkey Technologies highly recommends this seminar series for startup as well as more seasoned companies.”

---Young Yee, President, MKey Technologies. Santa Teresa, New Mexico

“Dr. Alberto Correa has developed one of the most comprehensive presentations to guide you through understanding your business planning process. This webinar has helped us immensely by breaking down business planning into discrete parts and then providing an easy to understand explanation for each section. We at Global Enterprises fully support such an excellent work.”

--- Alan Lerchbacker, President and CEO, Global Enterprises. Bernelli University. The Czech Republic
